Texas Tech University, 1312 Boston Ave. Ag. Sciences, Lubbock, TX 79409-2132

EDUCATION

Ph.D. in Agricultural and Applied Economics (*Ph.D. Candidate)* Expected: Spring 2027
Texas Tech University
Advisor: Dr. Modhurima Dey Amin
Dissertation: Essays in Agricultural Trade and Economic Behavior

M.S. in Agricultural Science 2022
East Texas A&M University
Advisor: Dr. Jose Lopez
Thesis: Economic Analysis of Annual Ryegrass Management Practices

M.S. in Business Administration 2022
East Texas A&M University

B.S. in Agricultural Science and Production 2019
Zamorano University
Advisor: Dr. Marielena Moncada
Thesis: Effect of two different starting feeds in dairy heifers (Spanish)

PROFESSIONAL EXPERIENCE

Graduate Research Assistant, Texas Tech University Sept 2022 – May 2027
Conduct applied research in agricultural economics, international trade, consumer behavior, and policy analysis; contribute to grant-funded projects, data analysis, manuscript preparation, and conference presentations.

Graduate Teaching Instructor, Texas Tech University Sept 2024 – Aug 2026
Serve as instructor of record for undergraduate courses in marketing, microeconomics, and statistics; developing course materials, delivering lectures, managing assessments, and mentoring students

Graduate Research Assistant, East Texas A&M University Jan 2021 – Aug 2022
Supported applied research on agricultural production practices, sustainability, and economic outcomes through data collection, statistical analysis, outreach activities, and preparation of research and extension materials.

Field Manager, Sol Group Zacapex, Guatemala Sept 2020 – Jan 2021
Oversaw agricultural operations, labor coordination, and production management to improve efficiency and support agribusiness performance across melon and watermelon production.

Research Assistant, Auburn University, Alabama Jan 2020 – Aug 2020
Engaged in agricultural research through fieldwork data collection and analysis on feed production and poultry projects, emphasizing production practices and quality-related outcomes.

Quality Control Intern, Sol Group Marketing, Florida Nov 2018 – Apr 2019
Assisted in quality control and compliance for melon and watermelon imports from Honduras and Guatemala, ensuring product standards and shipment quality for major U.S. retailers, including Walmart and Publix.

GRANTS

Texas Farm Business Management and Benchmarking Education and Outreach Alliance, East Texas A&M University, 2021-2022
Role: Researcher, Total Grant Amount: $104,651

Market assessment and opportunity identification for export of Texas sorghum as animal feed to Mexico, Texas Tech University, 2022-2023
Role: Researcher, Total Grant Amount: $400,435

TEACHING EXPERIENCE

Leading Instructor, Texas Tech University

Course name	Enrollment	Eval	Semester
AAEC 2305: Fundamentals of Agriculture and Applied Economics (Face to Face)	65	4.1/5	Spring 2025
AAEC-3301: Agribusiness Marketing (Face to Face)	52	4.0/5	Fall 2024

Teaching Assistant, Texas Tech University

Course name	Semester
AAEC 5325: Applied Regression for Ag Science (Face to Face and Online)	Fall 2026
AAEC 5306: Agribusiness Analytics (Face to Face and Online)	Fall 2026
AAEC-4302/5301: Statistical Methods in Agricultural Research (Online)	Summer 2026
AAEC 4302: Statistical Methods in Agricultural Research	Spring 2026
AAEC 5306: Agribusiness Analytics (Online)	Fall 2025
AAEC 4302: Applied Regression and Least Squares Analysis for Agricultural Sciences (Online)	Fall 2025
AAEC 4302: Statistical Methods in Agricultural Research (Online)	Spring 2025
AAEC 4302: Statistical Methods in Agricultural Research (Online)	Summer 2025
AAEC-2405: Agricultural Statistics (Face to Face)	Fall 2022
AAEC-3302: Agribusiness Finance (Face to Face)	Spring 2022

FELLOWSHIPS, SCHOLARSHIPS & AWARDS

1. Texas Lyceum – Texas Tech Fellow (merit-based) 2026
2. Erin A. Wheeler-Cook Scholarship (merit-based) 2024-2025

Texas Tech University

3. Swiss Fund Scholarship (merit-based) 2016-2019
   Zomarano University
4. Change Maker in Service (University-Wide) 2022
   East Texas A&M University (Granted for Volunteering)
5. Third Place. ACT-TJCAA Poster Presentation (Competition) 2022
   Abilene Christian University
6. First Place. Annual Research Symposium. (University-Wide) 2022
   East Texas A&M University Poster

LEADERSHIP AND SERVICE

Presented an introduction to economics class (1hour/year)
Classical Conversational Homeschool Community (Lubbock, TX) 2022-2026
President, Agricultural Economics Graduate Student Association 2023-2025
Texas Tech University
Secretary, Zamo-Raiders 2024-2025
Texas Tech University
Member, Commerce Texas Food Pantry 2021
East Texas A&M University
Organizer, Lions for Christ Mission Trip 2021
East Texas A&M University
Facilitator, Meet Judging Experiences for High Schools 2020
Auburn University

SKILLS AND LANGUAGES

Software: Stata, SAS, R, Python, Tableau, Excel, Qualtrics, and QGIS
Research Skills: Survey Design, Data Collection, Applied Econometrics, Machine Learning
Languages: Spanish (native language), English

PROFESSIONAL DEVELOPMENT

Certificates

Crop Practicum East Texas A&M University (Crop management) 2021
Usage and Management of Herbicides Online 2021
Agricultural Remote Sensing AGEAP Online 2020
Successful Negotiation: Strategies and Skills (University of Michigan Online) 2020
SMEs Basic Management Universidad Católica de Chile Online 2020
Coffee Production by Illy Café EAP Zamorano University 2018

Memberships

Agricultural & Applied Economics Association (AAEA) 2024-2026
Agricultural Economics Grad. Student Association (TTU) 2022-2026
Zamoraiders (Zamorano Students in TTU) 2023-2026
Southern Agricultural Economics Association (SAEA) 2021-2026
